“ *Dear family members of Elna,*

I am thinking of you during this time of grieving at the loss of Elna. I truly appreciated Elna who was married to my Uncle Robert Zink for the last nearly 50 years. I know how much Robert loved her and it was she who took care of him during the last 10 years or so as he began to suffer from memory loss.

I did not see her often since I live in California — she did come out to visit several times. And once, in 2008, I visited her and Robert in Detroit/Southfield. She was a wonderful host and we sat up and talked late that night when I stayed over. I learned so much from her about her life and her family. May she rest in peace. May all of you who loved her so much be comforted in your sorrow.

Peace always, Delia [McGrath]

“ *I am really going to miss you Elna. I remember how excited you & Robert would get when I brought you ice cream sundaes from Dairy Queen. Both of you would be like you were in heaven, so enjoying every last bite!! I will remember you every time I have a cone from Dairy Queen!! When I first meet you both when you came up to the John Grace Community Center I thought of you as from the movie, "Driving Miss Daisy" and from that day I have always called you my "Driving Miss Daisy" couple!!! I have truly enjoyed serving you and cherish our time together!! Love you always, Denise (Chore)*
