“ A tribute to a beautiful angel Mom in U S,;
*Between birth and beath lies a stretch of activities called life which tantamount to vanity yet still craved for by all, some to leave prints in the sand of existence in a positive way some in the negative and some just to exist. Mrs Emma, I call you Mom and my children calls you Grandma, I came into ur life and family in the past three years u were already playing the rule of a mother in my life and my kids. Every morning when I get to work the first thing she will ask me is the kids before saying good morning back to me, she became part of me. U will be forever missed dear Mama, I will miss your smiles, those moments we play together, your grieving for cookiesssss!!!!!!!, and always wanting to make my hair😭. Thank you for memories, thank you for always including us in your budget every Christmas, and other special sessions. I know you are at peace, no more pains ,no more screaming. I know you appreciate all my love and care and ur nearby praying for us. God has you with him, but we have you absolutely in our hearts. Good bye till we meet on the resurrection day and reign with God for ever.
Your loving Augusta and family.*
