“ Eric was a great nephew and a very loving father, brother, and friend. Seeing his Facebook photos and words of his life was great to see. I remember walking him to the store when he was a kid and we just talked about random stuff. The last thing we talked about was his search for work, talking on Facebook. I am continuously thinking about his children, his siblings, and of course his mother and father. More importantly, I pray that Christ Jesus is with all of us as we grieve and celebrate the life of "not so little" Eric, Jr. In the name of Jesus Christ our Lord and Savior. Amen.
