“ *#Bestiecousinfriend! Since your presence on earth expired. I've been absolutely devastated, disoriented, discontented & in disbelief. Im desperately trying not to be selfish by realizing that you fought the good fight. In accordance for acceptance to take place. I MUST cherish the epic moments we shared together. All of our academic occasions were Top-tier! Rather we were just going for long rides along the water with our horrible singing, or on the water, dancing, dining, shopping, or getting messages. Both our favorites getting hotel rooms watching movies snackin & not answer our phones. We shared so many precious moments together, in conversations and quality time. Our #bestiecousinfriendship was Truth. Who do I turn t? Its an empty place! I Love You Now & Forevermore. Rest In PEACE my Dearest.....Until I meet you again...*
