“ *Islam My Brother,  
All I can say is: Allah Knows Best!! He who gave us life as a blessing, shortens it to make that blessing more so. You completed all of Gods work while you were here. I would like to finish the last conversation we had-But it is selfish to call to earth again departed souls-So I'm going to let you Rest In Peace, and let your Noble Life Be Strength and Inspiration to me. I love you my brother for everything-but mostly for being You(Eric London) .....Peace Note: On behalf of The Moorish Science Temple Of America-From the office of the Asst.GrandGovernor we extend our deepest condolence to the family during your time of Bereavement; And if there is Anything I can do to lighten your load-Please feel free to ask.....Much Love To The Family!! Asst.Grand Governor of the state of Michigan-Brother S.Harris EI. (Bernard).*

“ God Bless the London Family, Father God heal their grieving hearts. Eric was my brother too, I've known him 63yrs. we sat and cried together at Mama Lavern's home going service. I am thankful to God that we took a recent picture together, Eric was sooo glad to see me as I was. There's no more suffering, no more heartaches, no more crying, nothing else for this old world, rest my Brother Eric
