“ My most deepest condolence to the entire Watts family, lost for words at this moment, so I'll leave you with this reminder from God's word. "He giveth power to the faint; and to them that have no might he increaseth strength. Even the youths shall faint and be weary, and the young men shall utterly fall; But they that wait upon the Lord shall renew their strength; they shall mount up with winds as eagles; they shall run, and not be weary and they walk, and not faint: Isaiah 40 20- 31

“ Eric and I worked at DFD Communications, and enjoyed a great comradery. Although I retired in 2010, we still occasionally kept in touch. The news of Eric's passing really "cut" me, as my brother passed just the week before. I feel like I've been dealt a double whammy. My heart goes out to the entire Watts family. As we all go through this season in our lives, let us remember our loved ones with the joy they brought into our lives and hold their memories in our hearts forever. Much love to you all and may God keep His loving arms of protection around us and give us the strength and understanding to carry on in Jesus name.
