“ Dr. Retland, thank you for your guidance in my undergrad program. I can't believe it has been over 19 years already and I had a small toddler. You told me to bring her to class. When I started my career you told me to just show up! Here I am 20 years later in the same career. Thank you!!

“ Dad you will be missed. Just can't imagine that we will no longer have our annual men's trips, long talks and drives. Thank-you for the things that you have instilled in me, they will never be forgotten.

“ When I first met Ernest I told Dee “You have quite a catch!” He was impressive: a warm, friendly man with a great smile, great sense of humor and sharp intellect. Another angel has been called home.
