“ So sorry to hear of the passing of your mother. Although I did not know her, I am positive that she was a great, strong caring person to have brought someone like you into this world. This could only occur when you are conceived by Greatness. My prayers go out to the entire Johnson and Simmons families. Amen

“ To the family of the beloved Ernestine Rembert-Johnson. I remember growing up with the six Johnson girls. Your mother has always strong, kind, independent, classy, and beautiful. She instilled great values in you all and the inspiration to be your very best. She was very loving, caring, and was a great role model to her daughters. I always admired, respected, and knew how blessed they were that God chose Mrs. Ernestine Johnson-Rembert as their mother. Her legacy will live on through you all. She is a gem who will be truly missed but never forgotten. I know how difficult it is to lose your Rock, but she lives on in all of you and you all are blessed to have been raised with the legacy that she has given you., May you rest peacefully Mrs. Ernestine Johnson-Rembert. You have touched so many lives and helped to make them better. I love you always and will never forget you.
