“ *Eva was one of my most loyal friends, both in elementary school and throughout my life. We didn't have to talk every day, every month, or even every year — but one thing that never changed about Eva was her loyalty. If you had her back, she always had yours. She will truly be missed. My love and prayers go out to her family during this difficult time.*

“ We all struggle in life with various things and unpleasant events. But what matters most is how we endure the unpleasant, ... the difficulties in life. One thing I can say about my niece is, ... she was a survivor. She never ceased to rest. It's unfortunate that I didn't see her grow old. But God was in control at every turn. Life is so precious. We have to appreciate life and not take it for granted. Evie, rest in peace. Love, your auntie Idell.

“ I will not cease praying for my nieces, nephews, and the children of Evie! 🙏📄❤️ I have reflected on her at age 8, when I was explaining to her about death and dying. She had the strength of an adult, and courage to face life without her mom. I have never such resilience as I have seen in Evie! She fought the good fight of faith, and I thank God for every moment I ever spent with her! My love for you never wavered, no matter what happened! You are and will always be, My beautiful Evie! As I've always told you. Rest in Heaven, Evie!
