This was a beautiful service for your mother and I truly enjoyed her obituary because it spoke truth. The funeral home needs to work on their video because it sounds low and like it was under water. I had to listen very carefully but it was really a uplifting service.

“ Mrs. Evelyn, words will not be able to express how much you mean to me and my family. You have been a blessing to us from the day you entered our life. I will never forget all of the lessons you taught me and the stories you shared with me. Thank you for helping me to raise three amazing daughters. You never missed any life events in my children's lives. You were part of our village and we were blessed to have you be a part of our family. I love you and you will truly be missed. Heaven gained an Angel and I know you will continue to look over us all. Rest In Peace Mrs. Evelyn, you will be missed but never forgotten.
God Bless You and I truly Love You,
Brenda Heath

“ Ms. Evelyn I will miss you for the rest of my life! You started out as our babysitter and ended up as our “grandma!”

You had a gift for interacting with children— no matter where you were, you could always make a baby or child laugh 😊. You made sure we got fresh air every single day and I remember my dad fussing about it at first but later realizing that you knew exactly what you were doing 😂

I have so many fond memories of our time together and the lessons you’ve taught my sisters and I. I even still have your salmon pie recipe on my refrigerator!

As an adult I could call you and get marriage advice and parenting advice and you were always so wise.

I love you so much and I am so thankful God put you in our lives. I’m sad that you are no longer here but I know that you and Skippy are dancing in heaven 🕺

Until we meet again 😊🥹

To the family of Evelyn Brown, know that God will comfort you during this time and forever. I am so blessed to have been a part of your extended family. We shared several wonderful experiences, gatherings, and just having great family fun.

I miss seeing Evelyn during our Wednesday Hour of Power Services. Following services we would gather in the Fellowship Hall to enjoy socializing. You truly loved the Lord and Hartford Memorial Baptist Church. Now, you're with the KING our savior. Praise God for a life well lived.
