“ *My sincere condolences to the entire Bell and Whitted family. Fern was a friend and mentor to me. I will never forget my early days as a supervisor at Chrysler Jefferson North Plant. Fern took me under her wing and provided all the right guidance to help me grow within the company. It didn't hurt that Rose Bell was like another mother to my wife, kids and me. Once Fern knew that, I was practically family she really looked out for me. She always met me with a warm smile and encouraging word. She was a protector while at work. We often spoke about the goodness of God and how our behavior on the job had to reflect his presence in our lives. That she did with Grace. Gone to soon, but she will never be forgotten. RIP Fern Bell!*

*Fern Bell was my sister-in-law and was like a big sister to me. Full of love, light, spirit, and faith, she was a heartbeat among the Bell clan! I am devastated at the loss of her and will miss her smiles, hugs, constant encouragement, and unconditional love. Fern was my girl!! I know she with Jesus now, her one true love, and her parents, siblings, and other loved ones that went on before her. She was beautiful inside and out and will be deeply missed by all of us who adored her!*

*Sincere words of Sympathy for the Bell and Whitted Family:*

*God saw her getting tired and a cure was not to be, so He put His arms around her and whispered, "Come to Me."*

*With tearful eyes you watched her and saw her pass away, and although we loved her dearly we could not make her stay.*

*A golden heart stopped beating hard, working hands at rest. God broke our hearts to prove to us He only takes the best.*
