“ *Floria was a bright, outgoing, and faithful friend. She knew no strangers and had a heart of gold. I will miss her dearly and I'm glad she was in my life. Unfortunately, death leaves one with a heartache that no one can heal. Yet, fortunately death also leaves one with beautiful memories that no one can steal. Remembering you always Floria as a friend.*

“ *My family and I have countless memories to share. The one that stands out for me is when Gloria J was deciding if she should teach G.E.D in the prison. I said why not you know it's your God given talent. She enjoyed it just as much as they enjoyed learning from her. The Coleman Family sends our love while praying for your strength. Floria J is an Angel on earth as she is eternally* ❤️

“ *I have known Miss Johnson for over 17 years. By her being my next door neighbor, we always looked out for each other. She was not only my neighbor she became my friend and mentor, she was like a mother to me. I would go to her for advice on many occasions, knowing that I better be prepared for her answer because she gave it to you straight. She did not spare your feelings. She was a very well-rounded person. Active in church, loved her card parties, her family gatherings, cooking and of course spending time with her grandbaby. I will miss this strong Queen and I will never, ever forget her. She meant the world to me. R.I.H. Flo❤️*
