“ My name is Kim & I had the pleasure of being Mrs. Gillam's letter carrier. We always joked about her husband getting his check from Publishers Clearing House. She loved her family & will be greatly missed. To the family I say keep God close & in Him find your strength. Stay encouraged.

“ I send my deepest and sincerest condolences to the family for your loss. One of my favorite experiences I had with Fran was saying HOW YOU DOING !!! when we saw one another. That phrase came from the movie Norbit with Eddie Murphy. I'm going to miss my friend. I will continue to pray for you guys.
