“ I love going back in thought when memories bring on a smile and recollection has you wonderfully viewing life. Working with Francine at Greenfield Union School was not only rewarding and beneficial for the children whose lives she impacted, but extended beyond as a personal relationship between us evolved. Our socialization brought laughter, deep sharing, fun, and emotional support: We joked and cried together. As teacher and Asst. Principal, I will be forever grateful for her passion and dedication. As a friend, I can only say, “You never know when you’re making a memory, but you definitely know when you’ve become one.” Thank you Fran for the YOU you left behind.

Francine will be fondly remembered by those of us who worked with her at Greenfield Union School a wonderful place to work because of the hardworking talented staff and a variety of interesting talented students. We started out coworkers and became a circle of life long friends. Take your rest Francine.

“ *It was my privilege to work with Francine for many years at Greenfield Union School. She was the consummate professional, but she was also fun to know and to work with. The students she worked with and mentored, and they were many, were lucky to have her. She was so proud of her daughter, Filecia, and her grandchildren. I know they will miss her. I will miss her too.*
