“ Frank was one of the many pillars that held ROT together. We had just spoken at another with each other at Wanda Jones services. What I will remember the most is his love for his community, his smile and sincerity. He will be missed. I encourage everyone not to wait to enjoy your life. Use Frank's life as your eternal flame to do everything that you want and not wait. You never know when God will call you home. To the family and his many friends may God continue to give you strength and cover you in this grace as you lay him to rest. Knowing Frank, he would tell God, point me to "Da Township section of heaven. Peace be with you all.

Jr. you and I have been knowing one another for such a VERY long time! You have also been knowing my husband, children, grandchildren and siblings for a VERY long time! You were VERY SPECIAL to everyone one of us... However, I was the most SPECIAL whom you were referred to as your baby Sis!!! We had sooooo much in common we could laugh and joke about. We both always laughed about how our daughters Nicole and Charmaine were exactly alike, strictly Business!!! My grandchildren referred to you as uncle Frank, and your children called me auntie Brenda!!! Jr. YOU have really left a deep whole in my heart ❤️!!! There never was a day we never heard one another's Voice!! A brother and sister relationship ❤️ is just what we both had... We both Genuinely loved one another to the Very end and never hung up the phone without saying " I LOVE YOU " !!! I pray 🙏 you have set the example of a man to many more left on this earth Jr. Rest in paradise Jr. for God has called you home... You have VERY well earned your crown brother 🙌🙏! GOD BLESS YOUR FAMILY!!!!

I knew Frank for about 5 years from his job at the Pantheion bar and restaurant in Dearborn. He was a nice guy who provided plenty of knowledge to the younger generation. He will be missed by co-workers, friends, and family.
