“ Jan, this is to convey your neighbors Kitch/Evonne's sincerest condolences on the loss of Frankie. I remember him going out of his way to come out to our table at Ruby Tuesday's and greet us as neighbors some 20 years ago. I thought that was a very gracious action on his part that made us feel very welcome at his place of employ. I know you are experiencing the most difficult loss we parents have to face and want u to know we are here for you, just let me know. I was trying to get info on the arrangements so I could tell you this in person, but did not get them until Sunday. Again, If there is anything I can do...
