“ This was the coolest man in my eyes. I remember almost every weekend my dad, little brother, ND myself would always pile up in the green car and ride through the city. Whether it be Oak Park or Belle Isle he'd always show us a good time. He never steered me wrong and always had my best interest at heart even when I didn't see it. I love you so much and miss you so much more. Thank you for always believing in me and being there. Love Hook

“Dad picked me up from school most days in high school and I enjoyed our talks. He would often say to me "Gab, do you remember the 5 Ps? You have to remember Proper Preparation Prevents Poor Performance." I just want you to know Dad, I will never forget this, not just because it's true but because it reminds me of being with you❤️❤️ Lots of love Dad
