“ *To the family of Gary McDonald I extend my sincerest condolences - I met Gary at DTE Energy. Gary was a thoughtful, kind, intelligent man who placed his family at the pinnacle of his thoughts. Our conversations often included his concern and love for his nieces and nephews and how he longed and desired to be a great uncle to them. We spoke about his love and care for his mother and concern for her in Louisiana and to be careful on such a long drive. Sometimes Gary was so respectful that he made me and my wife laugh - but he liked so many of the same things we did he was a pleasure to be around. Even our dog loved it when Gary came over because he would play tug with him. Our conversations would range from IT to spirituality, growth, love, forgiveness and getting on to the next phase in his career. We spent many hours watching U o M vs Ohio State football game and debating how much OSU cheated. I find myself saddened with a sense of guilt because I could not help when he may needed to reach out to someone. Again to his family know Gary was loved and respected and will be missed.*

Gary was my nephew through marriage. His Uncle Nate is his Father's brother. I remember meeting him when his Uncle Nate and I were dating. He was just a boy then, but a very well mannered and respectful boy with an easy smile. Once his Uncle Nate and I married, we moved to Nevada to live, but would always see Gary when we were home. Always the same delightful young man, who would greet you with his great smile. When his Uncle Nate and I moved back to Detroit and began a family of our own, we would see Gary more often. Our daughter Leslie and Gary were close friends as cousins. Our entire family will miss him, but I believe my daughter will miss him more.

Bless his home going!

Uncle Nate, Aunt Gerry, Leslie, Ken and Keith

“ My condolences to Gary’s mother and family. I was shocked and surprised to hear of his passing. We will keep his family in our prayers. I met him while on a project out in Los Alamos, New Mexico years ago and we were friends ever since. He would always call whenever he wanted to talk about politics, movies, or work. He will be missed. Rest in Peace, Gary!

“ Sending my love, prayers, and condolences to Gary's mom and the McDonald family!

We are just hearing of Gary's passing and are heartbroken.

Gary and his family were our neighbors on Ryan in Detroit. He and my son became lifelong friends, and Gary was a groomsman at his wedding 25 years ago. They often bantered back and forth with each other over their love of sports especially when it came to MSU and U of M!

Gary was just a good guy! He was smart, analytical, thoughtful, respectable, mannerable - all the things a mom wants their son to be. We will miss his presence in our lives, and I can't begin to imagine the pain his loss has caused his mother. I pray that she be granted peace and strength in the loss of her wonderful son.
