“ I remember sitting with Mom Smith and just listening to her talking about when she was young, the music she enjoyed - Jazz, old school and her husband Clarence sang in a group, favorite TV shows, a Prather of topics. She definitely had a opinion about life and I listen to her sage advice. As days go by I'm sure we who spent time with her will savory our memories.

“ I only met Granny Smith once and in a short period of time I was able to gather what a great person she was she shared some life lessons that I will carry with me forever. She was an observer and truth speaker. Send love too all of the family.

“ My sincere condolences to my extended Smith Family. Mom Smith will always be my Mother-in-love. I will forever hold onto your love, smile and the loving looks you gave. Forever will I cherish our times together. Our talks while drinking coffee, eating Kentucky Fried Chicken, working in the yard and especially cooking out on the grill. Rest in Peace, Mom Smith.
