“ *Hi Glass Family. My name is Charles Montague. I am one of George oldest friends from the Jeffries project. I just got off the phone with Harold Draper, another George oldest friends. Wow I am sorry to hear George went home (Heaven). Even though we didn't talk George was in my heart and prayers. He will be miss. My prayers are with you guys. The Montague family. You are at peace my brother.*

“ George and I grew up in the Jeffries Projects and attended the same elementary school, middle and high school. It was cool to have someone like George to hang out with while growing up. My whole family loved him. RIP, my brother. JP4L

George(Butchie) Glass was my next door neighbor in the Jeffries Housing. My mom said he was a very respectful young man. He was always nice to me and my twinsister. Rest wellButchie 🙏🌸👑🎊👍
