“ Dear Sister Sharonlyn Harrison & Family,

*We were saddened to hear of the loss of your beloved father,  
Brother George Morgan.  
Please accept our deepest condolences and heartfelt sympathies.*

*May the precious memories you cherish of Brother Morgan's  
gentleness, patience and  
unwavering love, warm and comfort your hearts at this difficult time.  
May these  
qualities also live on in you as a source of light and blessing to our  
world.*

*Please know that as a church family, we are here to love and  
support you. Also, we  
pray that during this period of bereavement you will be sustained by  
the abiding  
presence of Jesus Christ Himself. He is thoroughly acquainted with  
all of your sorrows,  
and He carries all of your griefs. His promise to be with you will not  
fail and He will  
never leave you to walk alone.*

*The Word of God assures us that while weeping may endure for a  
night, joy comes in  
the morning! What blessed hope we hold for that glad morning  
when all our loved  
ones who have fallen asleep in Christ will be raised in newness of  
life! On that day  
Brother George Morgan will stand in the strength of eternal youth to  
live with God  
forever. Even so, Lord Jesus, Come!*

“ I cared for Mr. Morgan at the John D. Dingell Department of Veterans Affairs in Detroit, Michigan. Mr. Morgan, whom I affectionately called "Papa" eventually became all of the staff's "Papa". Mr. Morgan was generally a peaceful and quiet man, however he thoroughly enjoyed the attention he received from the ladies!! Mr. Morgan would extend his hand to the ladies in which he fancied and would holds hands with them until either he fell asleep or they would try to let go of his firm grip to get back to work! Papa would be watching the door when I came in to work and I would have to come over to him and greet him with a big "hey papa" and if he responded with a "BOW" he was in a playful mood and having a good day. Although Mr. Morgan was a man of few words, I understood him fairly well. He was a pleasant man overall, but he would also let you know when he was in charge and stood his ground. There are way too many memories of papa to share on this platform, some are very funny and some brings a tear to my eyes. Papa will always be remembered at the V.A. Community Living Center for many years to come, he was well loved and respected by all staff members. 🙏

“ I have many fond memories of my dear cousin George. The one I adored so much about him was his ability to recall all the important things about our family. He could give you a great history lesson on our past and he held his Faith to our future. His beautiful singing voice and how he shared his gift of gospel singing with all the local and surrounding churches still amazes me. I cherish just seeing that beautiful smile, and his jolly laughter.

I love how proud he was of his daughter Sharolyn, the day he brought her to meet me, he beamed with such Joy! A good man can be measured in how appreciative he is to his children. I thank God he had her in his life to care for him during his time of illness. He adored Sharolyn like breath itself. Many of his talks to me here in Mississippi was about her.

It is difficult to say good bye to someone that makes a difference in your life, and he truly made me feel that he was proud of my accomplishments no matter how small. A piece of our family is broken, yet for a moment. We the Members of the Sparkman Family shall hold your memory dear to our hearts.
