“ *Hello - My name is Joe Pinzone. My father and I are sorting through our attic, and found a wallet that might have belonged to George. My grandfather used to own a bar on the East side of Cleveland, so perhaps this was found and never got to be returned. Does 1014 E. 66th Place ring a bell? If so, feel free to reach me at 440-678-8816.*

“ *George's kindness and sense of humor will be missed at the pool. It won't be the same without his "Have a great day, ladies!" My sincere sympathies to the family of my friend, George.*

“ My George. I will miss you so much. I love you with all my heart. You, Leslie and I had a true bond that can never be broken. I remember our last lunch when I said that we have to have more lunches because you were getting older, but I didn't know that would be our last one. You were the only person I enjoyed calling me a nut because I know you truly cared about me. Leslie and I were so blessed to have you in our lives all these years. I am so hurt, but God knows best. I am glad you are not suffering and you can truly rest now.

Love

“ My buddy George...we had so many memories that we would sometimes spend an hour on the phone talking and laughing about our former days working at Clayton. From our lunch outings with the "nut" Tonya, as you affectionately called her, to you supporting me at my graduation from college, you were there. To you calling me to wish me happy birthday every April 1st and me yelling at you not to call me until July Lol....I will truly miss you my friend. I'm so glad I was able to hear your sarcastic sentiments when Tonya and I came to visit, and I was so glad just to see you. While my heart was broken when you left, my heart rejoices to know you are at home with the Lord. Rest easy my friend. Heaven gained another angel. I love you! God bless you and may heaven smile upon you. God bless your beautiful Karine, your daughters, grandchildren and your family.

Love, Leslie Hardy

“ George made a real impact on everyone he met. His positive attitude and indomitable spirit touched our lives. He was especially dear to my heart because he reminded me of my uncle Joe. Like Joe, no matter how he was feeling, if you asked him how he was, he gave the same response: "Fantastic!" I will miss that so much. His presence in the pool will truly be missed. Sincere condolences to Karine and his family.

“ Uncle George, was such a wonderful, wonderful human being. Through his wisdom, patience, and understand of life, he helped to guild me to be the person that I am today. I always think of my first time fishing on a boat with George. The fish weren't biting, and the water was so calm. I didn't have on a life jacket, and we both went to sleep for almost two hours. when I woke up, I was so scared, being in a area unfamiliar to me. George looked at me and laugh, said Glenn, this is my quite spot, its okay. We then caught several small mouth bass which he gave me his catch. May God welcome you into his most Holy Kingdom.
