“ *I will so miss you my dear friend, neighbor and buddy, Georgette. I will miss our conversations, phone calls, text messages, and hearing you laugh. I will miss exchanging stories about working the elections, even though we were in different precincts. I will miss having you on the condo board, sharing ideas, issues and solutions. You will always be so very special to me.*

“ My sincere condolences to Georgette's family and all those mourning her loss. I met Georgette at Fort Valley State College (now University) her Freshman year. We became friends through her friend Audrey (Elaine) Dotson Collier. She always had a sweet spirit and I always enjoyed being in her company. May God give you the strength you need during this difficult time. Praying for your comfort and peace in the days ahead and may your memories of Georgette always make you smile.

“ *My heart breaks at the thought that I've only known Georgette for almost a year and now she's gone... She was a grandmother who clearly loved her granddaughter (Mia) and family. We continually spoke of finally meeting in person. I am so sad that will not happen. I can only pray that when Jesus returns we get the opportunity then. Meanwhile, my condolences extend to the rest of those who loved Georgette. I've attached a picture of one of the Christmas gifts my daughter gave last year.*

“ *It is with great sadness that we mourn the loss of our sister-in-law Georgette. She is admired for her life's achievements and dedication to family and devotedness to husband Issac. May you rest in Paradise for evermore.*
