“ Georgia and I had some fun times together at Breithaupt ctc. She taught me so much, from picking out antique furniture to drinking champagne. She had an eye for fine things. Georgia was a very sharing and caring person who loved children and just people in general. I respected her and appreciated her love. I can just imagine her now sharing recipes and laughing with Chefs Lenny Faustina and Carl Nelson. Thank you for sharing your life and letting your light shine. Much love and respect ! Renee kj
