That means a lot, because I thought the same of him. He was like a brother to me. I'm still torn up over it. Thank you for responding. And if there is anything I can do for you, please let me know. Where is he kept? Can I go see him? Please call or text me 810-210-3255. Thank you and god bless

G was what I grew to call him. He was intelligent funny cool and down to earth. He was more like a brother than a cousins. We came up together close knit. Born and raised in the same hood came up threw the mud and all that came with it. I'ma miss my brother his smile how goofy and silly he was and the way he had with me. I definitely had a soft spot for G rest in heaven my brother til we meet again.

“ *Gerald was one cool guy! Also had a smile on his face and very respectful! I remember last Christmas Sheena and him stopped by and got food. I was fixing his food and was putting crab legs in his carryout box and how his eyes lit up! I will never forgot that, as he was very appreciative. We are going to miss Gerald and his radiant smile. God bless and rest with the heavenly angels cousin 🙏🙏❤️*
