“ *My deepest condolences to the wife, children, family and friends of Gerald Gregory Wells. He brightly touched many lives and well served all daily. His chivalry and creativity will be used as a mantle to emulate. But most importantly his love towards his family. It is our prayer that those found memories along with the comfort of the Holy Spirit will keep and guide you during this time of sorrow.*

“ *I have so many wonderful memories of Greg starting from our time at Renaissance High School with his brother's from another mother, Daryck, Van and Darryl, to our time at the University of Michigan and his antics with his Sands, the Naughty Nine. Greg always had some much joy which he shared with others so easily and willingly. I am saddened that I will not be present to celebrate and honor his life but I will be keeping his family in my thoughts. I hope that we all can eventually find comfort in our memories. He left us with some many wonderful ones.*

“ Greg was one of my students, in my early days of teaching. He was a delight to have in class. He was smart, respectful, and had a sense of humor. I have known his parents for many years. Praying much for the family, that God will comfort, strengthen, and sustain.

“ I have known Greg through elementary, junior high and high school. The good times and memories over all the years are priceless. I smile thinking of our last hug a few years ago at our reunion and his last text to me on 9/14/16 beginning “What up doe?” I will forever cherish his kindness, good heart, sense of humor and his wonderful hugs. May you find comfort in knowing that Greg touched the lives of so many others and gave us the gift of love and many happy memories❤️

“ I'm so glad that you knew love, that you gave and received so much love while yet you walked this earth. You were a dedicated father and a loving, committed husband, a loyal and trusted friend. It's over now, God's good and faithful servant; rest well and keep watch. I love you.

“ I met Greg my senior year of high school. I would see him off and on over the years. Our daughters studied dance at MBS. We were members at Hope UMC and Empowerment. His smooth Billy Dee Williams voice and the way he made my first and last names sound like one name, the picture he took just of me for our Church's first anniversary souvenir booklet because I didn't make the group photo had people asking why was he taking my picture alone and his smile will live in my memories.

“ My condolences to Greg's wife, Brother Ted, Bea and the entire Wells family. G-Dō was my Sands - We stood next to each other everyday while we were pledging Kappa in 1983, through thick and thin. After we pledged, he was my roommate where he, the late Jason Dotson and I had so many memorable times together. For 30+ years after pledging, G-Dō was the glue that held our line together - He was the heart and soul of the Naughty Nine.

*As fate would have it, I will be at my son's college graduation in California this weekend and will not be able to attend G-Dō's services but I did want to share my thoughts and express my condolences. G-Dō was a true Kappa Man - he will be sorely missed!*

“ Greg was "always" a positive person...caring, loved his Girls!! First time he brought Hannah into the office (she was a baby)...we all were in awe of his parenting skills! They along with Karla were truly his Girls! He was a very compassionate, kind, resourceful, hard working Man of God! He will surely be missed by all! “ Greg, or Gido as I affectionately called him, was one of a kind. We pledged at the same time at the university of Michigan In 1983. The scrollers and the ivies were inseparable, even after we crossed. I'll never forget their Kane show and Greg's famous line, "sigma I love you but give me that countryside!"

*I reconnected with him when I came back to Michigan in 2013, and he was my photographer for 2 life events, my dad's 80th birthday and my 50th. I a man so grateful to have his pictures as memories to treasure forever. Rest well my friend. Skee-yo!*

“ I was blessed to meet Greg Wells at the young age of 18 at The University of Michigan in 1982. From that time and us pledging Kappa Alpha Psi together in 1983, we were the closest of friends from that point on. One thing about our friendship was that we never, ever had any disagreements. G, as I affectionately called him, was just that guy that no matter what, you could count on. That was not because of me, but because of him. He was one of the best friends I have ever had. I loved Greg dearly and I know he loved me, and that's the beauty of our brotherhood.  
Job well done, my brother! I will miss you dearly!

“ Greg was a gem! The rarest of them all. In all the years that I've known him, I can count on one hand (with remaining fingers) how many times I've actually seen him angry (and that says a lot dealing with me when we were younger). He never judged or held grudges (thank God). His spirit was so light and his heart pure. Our friendship lasted 37 years. I actually mortgage my home with Greg 17 years ago and refinance with him when he went to another company. I've learned so much from Greg and the Wells family by example and am a better person for the knowledge. My condolences to Karla, Hanna, Aria, Mr and Mrs. Wells, Tammi and Derek and all of his family and loved ones. Greg will be missed!  
Rest well my old dear friend. You are deserving of it and more! -

“ I met G doe in 1983 when he was pledging Kappa Alpha Psi Fraternity Inc. I was one of his Big brothers. He was always a person with a good spirit that enjoyed life. i am still at a loss for words that he has passed. The last time that we actually hung out and talked was at the TV lounge doing one of the things he did best, Capturing timeless moments with his photography. Always the same as when we were in college. I am really going to miss him. I am praying for comfort and strength for his entire family as well as all my frat bothers who knew him. May you for ever rest in peace G doe! BJ

“ On Monday, I lost my very first friend G Greg Wells. Our parents grew up in Inkster together. My dad is his godfather. When Greg and his family moved to Ardmore my family and I moved right around the block on Stansbury. Seems like just yesterday, when we were about 5 or 6 years old I got my very first puppy when Greg's dog Cindy had puppies- Ichabod Fat Albert Cartwright. Even as a child Greg had such a kind, sweet spirit. Years later, we would attend Renaissance High School where Greg's mere presence made everything fun! I'll never forget how he came through at my Sweet 16 party! Not only did he show up, he came with the whole crew, burning a hole in the dance floor especially with the Blues Brothers dance! He was the life of the party! Man, we had a blast! Years later and most recently I was blessed with his amazing photography...how truly gifted he was at capturing moments in time...it is with a heavy heart and tears overflowing as I write this post...but deep down inside I know Greg is smiling down from heaven... bringing joy and laughter to everyone there just as he did for everyone here. And to my very first friend and God brother, for the lifetime of wonderful memories, I say thank you...

“ Greg Wells, my big brother. I can remember when I first met Greg. He was the most kind and gentle soul. He was so patient. He helped me figure out mortgage problems and taught me to always help others in the business. He taught me to take it one lian at a time. And to treat every loan and every customer as if they were my only customer. Give each client my undivided attention. And it has stayed with me throughout my career in the mortgage industry. I will miss you Brother. Luv alwayz until we meet again. God bless your family in Jesus' name.
