“ Thank you for your many many years of your love and kindness. Thank you for being that grandma that I could always talk to anytime and any day. I'll always remember when we first met , although it was many years ago your love has never changed , I'm so grateful for our many conversation about what I wanted to be when I grew up. Thank you for your encouragement all the time. I'll miss you forever and love you forever more. Love Keyana

“ Mrs. Adam’s was a wonderful spirit. She raised some great daughters who exhibited a sense of family and sisterhood that I’ve always admired. She will continue to live in memories and stories of all who knew and loved her for generations to come. Rest in heaven, Mrs. Adams. ❤️
