“ I would like to give my deepest condolences to the Davis Family. I met Glenda years ago through her younger sister Jackie. Whose one of my oldest and most dearest friends'. I pray that God keeps your family strong and covers all of you as you grieve your loved one. Glenda will be missed with that beautiful smile. But, never forgotten. May your memories help give you peace.

“ Glenda and I go way back to the early 1990's. I've had the honor of being a part of her family since her oldest son Carlos and I dated and had our first child, BreAnna together in 1993 and then our second daughter, LaToia in 1995. I was already the mother of two children LaNaiel and K'La when we met. Glenda was not only a grandmother to each of my children (even my last two Nasser and Naima), but an awesome friend to me. We worked together, raised children together, suffered loss together, laughed together and cried together. Glenda will always be a part of our lives because she will live on in our memories.

“ *Our family moved to Detroit, Michigan from Memphis, Tennessee in the summer of 1969.*

Glenda was in the third grade and attended priest Middle school. In 1971, our family moved to Northwest Detroit; where glenda attended Guest middle school, then Cerveny and finally Cooley Hight school. My sister Glenda will be missed dearly. 🙏🙏🙏
