“ To my dear Red Hat Twin Sister. I will always remember you. It's not often that you run into someone that has the same birthday. I recall the day I sent you flowers. You hadn't been to Red Hat functions and I missed you. I telephoned to see if you received them. I wanted to make your day a little brighter. I wasn't expecting that you would confide in me your illness. I am so glad I gave you a little bit of joy that day. I miss you very much

“ Dear Michelle, I am so sorry to be just hearing about this now. I knew your Mother through the VA. I can't tell you how helpful she was to me---getting all the paperwork for when my husband died. She also had a great sense of humor to be that carpool to the Federal Center for all those years with Dean and Mike. Blessings and good memories to you all. Love, Jeanne Rem

“ I hate that I am just finding out you gaining your wings but it made me think about working in the kitchen at Kadash and you coming by to chit chat with my momma. I remember how you use to pick with Corey and you were one of the woman that encouraged me to do all I have done so far. I know you and momma are up there gossiping. I'm glad you are all back together (My Mom, Grace, Mother Coleman and Pat. Enjoy yourself up there and continue to watch over me. I miss all of you. Thanks for the memories.

Deacon Gloria Marshall was a very Wonderful Person to have in your life. She was one that didn't let Circumstances or Situations stop God's Plans for Her Life - She had a Strong determination to Achieve and do Great things - She asked the Lord to order her steps and in Acknowledging the Lord daily, Through Many Test and Trails, The Lord carried Her thru much - until Her Assignment on earth was completed, time to come home.
