“ Praying for comfort and strength to the entire family. I am a sister/friend/coworker of Gloria Jones. I have known Ms. McNeil for over 25 years. She always welcomed me to her home with open arms. She would always feed me. i loved all her cooking especially the greens and tea cakes. To know her was to love her. She will truly be missed. "God is our refuge and strength." May God continue to bless all of you.

“ *My heart is forever broken. The day you left mom was the saddest and worst day of my life. I will never be the same. You were my heart and my best friend and now my special Angel. I will miss you calling me your little girl. Days before you left you said to me "little girl i will always love you and dont you ever forget it". You thanked my for being with you at your bedside. I will always love you and i miss you*

“ *My Dearest Sweet Aunt Lean, you always made me feel like one of your sons. Your home was my second home. I remember riding my bike to your house almost everyday and if I wasn't at your house it's because Man was at my house. I was so close to you, you was truly my second mom. You always made me feel welcome and nobody can make fried biscuits (flour bread) and tea cakes like you. I'm really going miss you. For the past 16 years on my birthday your voice would be the first one I would hear saying "Happy Birthday sweet heart I love you". I'm going to miss you Rest In Peace. Love Lamont*

“ My Aunt, my sweet Diva Aunt. You taught me so many things that I carried into my adulthood. You inspired me to always look good when you leave the house. You was always complementary to everyone you meet. You loved your family and you always told me that family is important and not to stay mad with family. I will miss the jokes you and I shared. The last time I was with you was at my home and you remarked how beautiful everything was. In my heart you will always hold a special place, I'm going to miss you Auntie. You're in God's care watching over your family. Rest In Peace, love your Vett.

“ How I remember the first time you and uncle Fulton came to visit for a few days when you were just married. Never was there a more beautiful and happy couple. Oh how you loved us kids and gave all of us hugs and kisses. Your love and compassion will never be forgotten.

*I Love You Grandma & Will Always Miss You
My Angel* 🙏🏻💔😭

*My heart never felt so much pain
The sky came together and dropped lots of rain
I thought my life was coming to an end
All I know is I will never give in
You were the reason I became who I am
You hold my life in the palm of your hand
You showed me right from wrong
But the day you died everything went wrong
You knew me oh so well
The day you died my heart fell
I will never forget you until I die
Maybe someday we will meet up in the sky
I know the lord took you cause it was time
But he should of let me say the right goodbye
I think of you from day to day
Wondering what you would think of me today miss you so much my
sweet grandma*

I love you grandma RIP PARADISE 🙏🏻💔😭🙏🏻
