“ Tiffani, Brian, and Mr. Brian, my heart is with you and your family in this moment of loss. Tiff, your mother was truly a timeless woman— full of love, joy, and devotion. Her faith was unwavering, her presence was stunning, and her spirit could light up a room, especially when she smiled or danced. She carried herself with such grace and left a legacy of strength, elegance, and love that will live on through all of you.

May you find comfort in knowing she touched so many lives, and that her spirit continues to surround you with peace and love. I am holding you close in prayer and sending all my love as you walk through this tender season. I love you sis.

“ We are so saddened at the news of Gloria’s passing. She was an exceptional woman who was very happy and lived life to the fullest! We shared many wonderful times with her and Brian and their beautiful family and we had the opportunity to travel to Europe with them on several occasions. I had the privilege of working with Gloria and she was loved by our customers all over the world. Our thoughts and prayers are with Brian, Brian Jr., and Tiffany. While we were shocked at the news and we will miss her greatly, we are glad that she is not suffering and is now in the embrace of her Lord and Savior.

“ Mrs. Rhodes was more than just a neighbor or growing up Tiffani and Brian’s mom — she was like a mother to me in every way that mattered. Her golden smile could light up a room, and her heart was even bigger than her laugh. She did my hair, dressed me in matching outfits with her daughter, and taught me how to dance the hustle like we were on Soul Train. But what stayed with me most were the ways she made me feel seen and safe when my own home wasn’t.

She noticed the little things — the quirks in my personality that others overlooked, she celebrated them. She made me feel like I was enough just as I was. That kind of love changes you. She walked through life with grace, strength, and a level of class that taught me what being a great woman — and a great mother — really looks like.

Losing her feels like losing a piece of my foundation. But I carry her with me — in how I love, how I nurture, and how I find joy in the small things. She gave me a glimpse of what safe, unconditional love looks like, and for that, I will be forever grateful. I will ALWAYS remember Mrs. Rhodes and love her from the depths of my soul.

*Thank you Mrs. Rhodes,
Marcella Harris*
