My condolences to the Rorie family! My heart is heavy. I got to really k on Grady when we worked the Grand Prix. He could make the best hamburgers. I would make sure Grady saved me one straight from the grill. Grady was the best. He was very friendly and always had a kind and funny word for you. He has gone from labor to reward. Gone but will never be forgotten! Rest in paradise Grady!

“ *My heart is heavy because you're no longer here, my selfishness of not seeing your contagious smile and your jovial character and always allowing me to see the positive in life, most importantly not saying I love you the many times I had the opportunity. We're lifting up our eyes to the hills of the heavenly father for this entire family and friends who heart is heavy for comfort and peace. You represented life well, to be absent from here is to be present with the Lord, I know you left a part of you with each and every one of us that makes us a little better. I am grateful for you and proud to be in this family. You will be solely missed cuz.*
