“ *I will never forget her sweet voice calling asking for Kim. Knowing Kim for years now, it has been easy to learn of the kind of woman Ms. Cain was. I have learned she inspired integrity in those she raised and loved and also had a devoted faith in God. May she rest in peace and her family take comfort in the unforgettable memories they will always have of her.*

*Love, Alyssa Carney*

“ *I will always love you Mama Cain. Life is going to be different now that you are at rest. I have so many fond memories of times we shared and they will always be a part of me. You fought a courageous battle and God has given you the victory. Thank you for your love Mama Cain, and I will always be grateful that you were a tremendous blessing in my life. Until then ..... Until that day .... God be with you. I loved you in life, and in death I love you still.*
