“ I met Mother Patterson in 1992, Whitlock Memorial COGIC; and she took me under her wings- she became my Spiritual Mother. one day she invited me to prayer; I will never forget it- Wednesday night and it was the 5 of us, Mother Patterson; Mo Torrence, Mo Wollen-Allen , me & GOD..... they prayed me through and taught me so many things. As the years progressed I grew up and became who I am from the prayers of the Pray at 1695---- as life would have it; I was blessed to move out of Michigan and evolve both professionally and spiritually--- Mo Patterson will be missed dearly and I can still hear her singing..... so many things I could say--- but I will say she was a true WOG and a Mother in deed.....
