

Henry "Hank" Glaspie

July 8, 2020

We lost one of God's soldiers here on earth, when we lost Hank. His Visitation and Funeral Services are listed below. Kemp Funeral Home recognizes that grief shared is grief diminished, that the love of family and friends helps to ease the family's grief.

Unfortunately during this unprecedented time we must do what we can to alleviate the spread of the COVID-19 virus. Please adhere to Governor Whitmer's executive orders: A mask must be worn inside and outside everywhere. The Visitation requirements are that only 10 people can enter the chapel at a time, with no congregating in the halls, lobby or parking lot.

The funeral service will be live streamed and can be viewed at: <https://youtu.be/8n0VZ8zEi-Q>

“ To the Glaspie Family:

Hank was a former colleague of mine from our careers with the DOJ. He was also a fraternity brother. Although we had lost contact during our retirement years, he is someone that I will never forget, I just found out about his home going. He left a great impression among those who knew him. Although he has left us physically, he has gone to be with the Lord. May he rest in peace.

I was so happy to connect with Hank after moving Away 35 years ago. I was aquatinted with him as my FBI frat in the 80's, but grew to know him as a close spiritual brother in the last two years. We talked and vowed to lift each other up in prayer on that Wednesday, but never got the chance to celebrate on Saturday. I will miss you Hank. If fortunate, I'll see you on the other side, where only heavenly brothers like you may be found. RIP. Byron Rivers

“ I will always remember how much my sisters and I admired Hank and his brother Gerald. From the first time I met Hank and Pam at the Ferguson Family Reunion he embraced me and took me under his wing to teach me and give me guidance about everything he knew. I will miss his random calls to check in on me and my family. Hank was so distinguished. Such a fine man.

“ My deepest sympathy goes to the Hank’s loved ones. Hank was one of my favorite colleagues in the Bureau and we remained friends throughout my Bureau career and thereafter. Hank had been my “recruiting agent” in the early 1980s and we subsequently kept in touch especially after I transferred to Michigan from D.C. After we retired from the Bureau, my wife Beth and I worked with Hank on consulting projects, and Hank and I maintained contact in recent times. Throughout the years, I found Hank to be one of the most positive, empathetic and professional people I have met, and he will be missed.

“ My condolences to Hanks family. Hank processed my application into the bureau and from there we developed a life long friendship!! When I transferred back to the Detroit Division, he was there to greet me and welcome me home! I was so happy to be back in Michigan and he knew it, and we often talked about the years that passed so quickly!! Our prayers are with the Glaspie family as we mourn such a great man. Peace be with you my friend.

“ Henry (Hank) Glaspie was like a Big Brother in kinship to me. Over the last 13 years, our families shared many memories. Hank ALWAYS had words of encouragement and updated world news that he'd share with great knowledge. I will miss his legal brilliance and the sound of his voice that garnered attention in any environment.

My sincere condolences to the entire Glaspie family and the host of friends and colleagues that had an opportunity to know such a gentleman as Hank.

While God had prepared his wings to come home, our hearts weren't ready. As we prepare our lives without Hank's physical presence, we know that he'll ALWAYS remain in our hearts. ❤️

“ Our deepest condolences to Pam and the entire family. Hank and I attended Walnut Hill High '69. He was an excellent athlete and excelled scholastically as well. He was a good friend and always talked about improving the lives of young people to be successful and reach all their goals and expectations. He always had a great smile, especially when he said something witty. Having married into the wife's family, we fellowshipped at many picnics and gatherings. Much love and prayers to the family. May God continue to bless and strengthen you all. Hank has soared to the highest. R.I.P. my brother.

To my friend Hank, the one who was quick to share his time and talents to serve and assist. I will miss you and your deep voice of reason, but one of no nonsense. To Pam, may the Lord comfort you in the times that you miss your partner and ease your heavy heart. To all of Hank's kids and grandchildren, he was so proud of each of you and may you all find comfort knowing how much he loved you.
