I would like to say to the entire Cox's family you have my deepest sympathy. Mr & Mrs. Cox you were such a great example as parents and it really was displayed through Herb. Herb was a good son, husband, father, grandad, brother, uncle, and hard working man. Jackie I am so glad God blessed you with someone that made you smile and so happy. Although it may seem difficult today to see beyond the sorrow, may all the great memories you shared with him help comfort you all tomorrow.

Rest in Gods arm Herb

“ *To the Cox Family, my prayers and condolences are yours. Herb and I played basketball together at Redford in 1982-84. Herb was a motivating factor for me to jump as high as I could. Darnell Maxwell, Herb and I competed hard every day to block shots and dunk the basketball. Truly fond memories of the bond that was formed at 14-15 years old. Herb will be greatly missed...*

“ Rita, Herbert, Kim, Nate and Jackie,

Words cannot fully express the emptiness Herbert will leave not only in our family but in all the lives he has touched. As my oldest nephew, I have watched Herbert Jr. grow from a baby into the wonderful man he turned out to be. Although his physical presence will no longer grace our lives, his loving spirit will forever touch those that loved him and the mark he leaves will remain in our hearts .Until we meet again, may you rest in peace and rejoice in the glory of Heavenly peace.

“ *Sheila and I were deeply saddened hearing of Herbert Jr's passing. The loss of a family member is never easy.*

Herbert Jr. was kind, caring and would do what he could to help someone. I recall one time in 1988 I was on leave from overseas when I heard a song by Hajee "Day By Day." I asked Herb Jr. if he'd take me to get it. First and second record store didn't have it. Herb Jr. turned to me and said "We're going to find that album Uncle Darryl!" Forth record store had the album. Herb Jr. made my Day!

May you find comfort Jackie from the outpouring of love surrounding you and the many memories you shared.

“ *When I was new to the Detroit Terminal in 1995, Herbie was one of the very first to befriend me, an act that was never forgotten. Not just a friend, a great friend. He had an engaging way about him that made him special and loved by all. Though you will be sorely missed, you will always be in my thoughts and prayers.*
