“ *mama, I love you so much and I am so blessed that I got to spend 51 years with you. You are my best friend. You are my light. You are my everything. Aaron Tony and I will continue to live in your light and we will continue to love one another the way that you wanted us to thank you for everything and even though you're not here physically you are here spiritually per month. Thank you so much for your patience with me while I gathered myself and became the best me I could now look at your baby girl working on a second masters degree and I know you're so proud of me you are the best thank you for loving the three of us like you did as well as your grandkids*

“ Miss Holly was a kind and gracious woman to our family from the day we moved in and became neighbors for 25 years. Our prayers and sincere condolences go out to the family. May God welcome Miss Holly into the Heavenly Kingdom to exist as one with the Creator, Holy Spirit, Guardian Angels, Saints, and all of our ancestors. “In my Father’s house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.” John 14:2.

*My prayers and condolences go out to the family and friends of Hollistine. Holly and I were neighbors for 16 years. She and her family started out as friends but became more like family as Holly volunteered to be my mother's caregiver so that I could work. She ensured that my mother's was safe and well cared for. I will forever be grateful to her. May her loving spirit continue to live on through all of us.

“ My Holly Hobbie My Bonus Sister My co-worker at Dodge Truck building those RAM Trucks a wonderful Sista/friend! I have so many fond memories to cherish and salvage from our deepest private conversations to praying and chatting early many mornings, shopping partying and a shoulder to cry on, I can go on and on with all of the sweet memories we have!! Holly A woman of great faith who has overcome many obstacles with victory in Christ Jesus! A woman who truly loved her children and grandchildren very much and wouldn't trade them in for the world! She would put you on notice about Diamond and Dre woo they were her world her heart! ❤️ Hollys presence will be truly missed, she ran her race gracefully and is now in the presence of her Father God who she trusted on this life journey! Having Victory was already predestined, it's marked in her given name, Victoria! You go Holly you lived in the overflow of the Promises of God! 82 Blessed Year's 4 Scores and 2 Wow what a Mighty God we Serve!
