“ *Lisa, Homee, Marlo, LearaAnn, John and Major, I am Speechless...So sorry to hear of your mom's passing. I grew up with you ladies (and gent's), and I (Latrice Hood) and my sister (Sandra Hood) attended Hillger, Barbour and Kettering with you. I spent all of my Hillger years in class with Lisa, and my sister (Sandra Hood-Bradley), spent many years in class with Leara Ann at all three schools. I always admired your mom for her fashions, style and her hats~she wore them elegantly!!! You all have my condolences...the Lord now holds her in his hands and I pray that HE will console you and provide you with an insurmountable strength going forward in days to come... GOD Bless you all!*

“ To my BEAUTIFUL Mother-n-law I miss you! I am grateful for the time God allowed us to have together. I will miss the times we spent talking about John Sr, the grandchildren, and let's not forget Mr. Napoleon. I remember a couple of years back you were in the hospital and I was visiting you, the hospital Chaplin came in and asked if you would like to pray and asked if I mine. Of course I said I didn't and what followed next will ALWAYS be remembered you said I have the right one here for that ☐ I was honored. I will always remember and miss my kisses on my cheek my in- laws know what I'm talking about lol.....As you would often say “In other Words” you have your wings now ma. Rest In Peace. Love your daughter Deirdre!
