“ Kim, It is with complete sadness that I send this greeting. I am totally "blindsided" by the news regarding the passing of your beloved brother Punchy. First let me offer my condolences to you and your family for this sudden loss. My deepest and most heartfelt prayers are for the entire family. We can never prepare for something like this. I lost my sister Karen a few years ago. My fondest memories of Punchy were, when I began high school me, Punchy, Frank and Eddie Lewis would go to Mumford's field every day one summer and compete in a game called "home run". I was with Eddie and we would play Punchy and Frank every day. Because of that experience I became good at baseball and later the Captain of Mumford's 1974 Baseball team. Punchy was an icon...a legend in basketball but even more importantly he was a leader and role model in our community. My heart goes out to and prayers that you find strength to carry on. He will always remain in our hearts and minds. He leaves with us wonderful memories and the pleasure of knowing that he considered me a friend. God bless you, and I send warmth and sunshine from Florida at a dark period in your life. I love you, and always will. Please stay in touch. ❤️

“ Dear Family: Connie, Harold, Kim and all the rest of my family. I am truly saddened at the loss of Punchy. My heartfelt sympathy goes out to each and every one of our family members. Unfortunately I can't be there with you in person but you can be sure that I am with you in spirit and in prayer. The photos you guys have posted are beyond valuable. It is a good thing Connie started arranging for our family to meet at a designated public facility many years ago. A single family home didn't work back in the day and it certainly wouldn't work now! God has really allowed our family to multiply. Continue taking good care of each other. May God comfort you all and grant you His peace that passes all understanding.

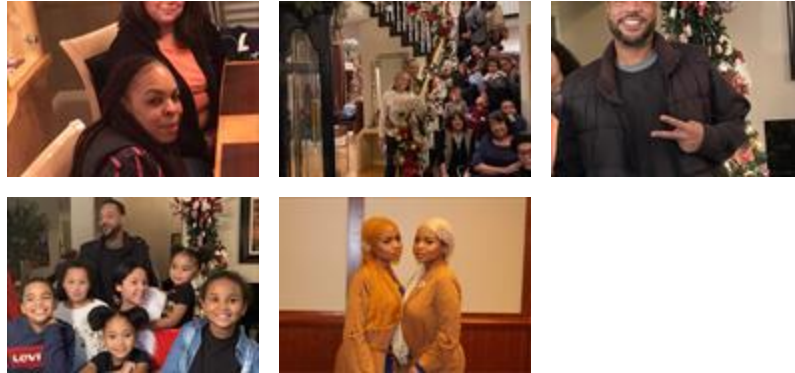

Love to all
your cousin
