“ *Every day for the past year that my law partner and I lunched at Kirby' in Southfield we would notice Ilene eating alone and talking to other people. Over a period of time, I learned her name, then her life and how she worked for the City of Southfield and had a family that she loved. But she always made me feel special and complimented me in a way where even though I barely knew her I will forever miss her. Good Bless you Eileen, God Bless you and may you rest in peace.*
