“ *I met Shawn when I was 5. So many funny stories that I remember. We were so opposite, but were able to maintain a friendship. She was my BFF in elementary and based on posts, she became a wonderful woman. Praying for her family.*

“ *Where do I begin, I am so saddened to learn of your passing. I have been looking for you online for some years and could not find you. I just learned this morning from my sister-friend Tamika that you had transitioned. You were my big sister when I needed one and we shared our faith in the Lord together and basketball. I appreciate and have always appreciated you! Love you forever and beyond and hold you dear as my big sister! RIH One with the Lord Shawn Miller.*
