“ I've realized over the years that my Aunt lola was a proud woman. She always took great care of herself and her family. There was never anything you could ask of her that she wouldn't do . I was 13 years old the first time I met her. Memories of our family gatherings come to mind often. Such joyful occasions. She could put a smile on your face in any situation. Auntie You will truly be missed. I look forward to spending time with you again along with, GrannieMa, my Mom Argentina, My Dad James Bernard , Uncle James William, Aunt Dot, Sisters Robin, and Ingrid , baby brother Jasper and Cousin Lamont.

Prayer of Protection

May the light of God surround us

May the love of God enfold us

May the power of God protect us

May the presence of God continue to watch over us

And May we all remember that, WHEREVER WE ARE, GOD IS.

AMEN

“ I loved her, she was the last of her mother's clan James William, James Benard & lola. I'll miss her, she taught me a lot about my family, I hate that I will never have the opportunity to discuss my history with her. I'm learning she was older than my grandmother Dorothy who was My grandfather's wife @ 16. The stories she provided clears up a lot memories. I am thankful for the for memories I have. I love you Aunt lola. Tell my family I said hello and I look forward to meeting them at the crossroads! Love Tracy

“ The RBS Family send condolences to the Brown Family during your time of need. We pray that the consoling words below be comforting to you and your loved ones.....

I PRAY

I pray because I am happy

I pray because I am sad

I pray because I am fearful

I pray because I am mad

Whatever emotions are running through my head

Whatever I am feeling I give it up to God.

When the weight of this world is more than I can bear

All I have to do is give it up to him in prayer

I give him all his glory

I give him all the praise

I give him all my problems

I give him all my stress

I pray to be made worthy

pray to pass the test

I pray that everyday

I can give my best

So if your facing any problems

Have something that's bothering you

I can't tell you all the answers

I wouldn't tell you what to do

All I can say is

I PRAY

lola and I were first cousins. My mother and her father were sister and brother. I only saw her a few times over the years when she and I came to visit in South Carolina for family gatherings. I though that she always looked so beautiful. She was so down to earth. I wish that I could have gotten to know her better. The last time that I saw her was at my father's funeral. She was very close to my mother. My sincere condolences to the family. Love you much. ❤️
