“ Ivy was such a great role model. She was always so posed, kind, and such a young lady at a young age. She will forever be stained in my mind as an influential person in my life. My condolences to her family, and very close friends. She has touched so many people.

“ Ivy was the first alumni I met in my role at the Ohio State Alumni Association, and she was a treasure of a human being. She was so kind, thoughtful and generous. She is in my prayers.

“ My sincerest condolences to Ivy's family and friends. I was always inspired and motivated by Ivy's intellect and drive. As our high school valedictorian, she was never too boastful or proud and was such a ray of sunshine. My heart aches as we say see you soon to the phenomenal Ivy White. - Senator-Elect Rahaun Kemp, Georgia.

“ Ivy aka Poison Ivy! I will miss our talks, your laughter, your nachos, the way I constantly reminded you that I couldn't understand you with your Invisalign in, our back and fourths about UM vs OSU, and our vinyl music listening sessions. I will mostly miss your smile, your soft voice, your attention to detail, and most of all your kind HEART!!! I will definitely complete the NYC Hip hop tour and think about all the memories we shared, discussing the trip. You're forever cemented in The Life and Times of E Hyman Volume 1 Chapter 1 and beyond! Each time I play the Jay Z "The Black Album" it will allow me to reminisce on our time spent together. I will truly miss and remember you until the day I depart this earth!!!!

“ To all the family and friends
It's been a while since I've seen my "Lil Ivy League". She was always a sweet, smiling adorable child. A smile that was soo infectious you'd never forget it and always remember her mom("Miss Nickie"). She has left a forever burning light for all to remember her by. Keep all the good times you may have shared with her these past 40+ years and let them bring a smile to your face and a warmth to your very soul!!!...She will be missed, but never forgotten... Give hugs and kisses to those you reunite with Ivy League for me...

Love Forever,
Ms. Cynthia

Ivy was once a colleague of mine and very personable and kind to work with, Met her through Toyota as a buying manager and always willing to help or get answers to any questions that I may have at the time. It was sad to hear about her passing so soon. May her soul rest in peace.*

“ While much of our time together was business-related, Astemo had the wonderful pleasure of working with Ivy for many years including hosting her and a few other GM team members in Japan in September 2024. During our visit, we were able to tour a number of historical and cultural sites in Japan and spend some great time outside of the confines of a professional setting. Ivy was an amazing person and a cherished friend we will miss her dearly. Our thoughts and prayers go out to her friends and family.

The Astemo family sends our heartfelt condolences.
