“ *Jackie was a long time friend her and her family. I'm going to miss talking with her and her laughter. She is what you could call a true friend. Even though I wish she was still here the Lord knows best. I love her so much and I know she knew that she will always have a special place in my heart. How I wish I could be there because she was there for me in the loss of my Son. I just could not make the trip home. I am praying for Dennis and family.*
