In Loving Memory of Jacquelyn Bell a.k.a Jackie

Jacquelyn Bell, a cherished soul, graced this world on June 10, 1965, in Detroit, MI, born into the union of Lovolla and Louis Bell. She was the youngest of six siblings from this union. However, Jacquelyn held a special place as the youngest among eleven siblings altogether.

Her journey began amidst the vibrant streets of Detroit and Highland Park, Michigan, where she forged lasting memories, lifetime friendships, and bonds. After graduating from Highland Park High School in 1983. Jackie continued her education at Hampton University. In 2003 she proudly graduated earning her bachelor's degree in Mass Communication and had a 15-year career in Human Resources Management. Jackie was known for her beautiful smile, sense of humor, fashion, and most importantly her ability to make everyone feel loved and included. Her loving and generous heart held a special place for all of her nieces and nephews and lovingly referred to them as "Aunties Little Babies"

“ *To Sharon, Cora, Carla, Chucky and the rest of the family. I met Jackie when we worked together at the Census Bureau, and we have been friends for over 30 years. She was more than a friend; she was the big sister I never had, and my mother's (Ma Mildred) 2nd daughter. She will be truly missed.*

Jacquilyn Bell, my sweetie. Truly you were loved i just feel bad that I did not know your health condition. And did not realize you were not in Hampton when I called you to see if I could stay with you. She was a very lovely and loving person. She was sharp! We won't and can't forget you! To the family know that we share in your grief and we all have our sweet memories of Jackie Bell

Fee wrote so eloquently and I can't begin to expound on that but I can hear "Mothershed..." when talking with our Jacqui.... We were placed in the Trustee House and from day one, Jacqui became my sister, always there for me; our sisterhood has spanned for almost 40 years.

Jacqui became family to my Mom, sister, nieces....and I don't have words to express all she has given to my family. "What is Mama Mothershed cooking?"

She supported our niece, Mahari with her first art show after graduating high school, and was at every show thereafter.

Jacqui's heart and spirit are in all of us who were loved by her and she will always be the indelible spirit of joy, laughter and incredible style, embracing all of us... even now!

We also think of Miss Lulu, Jacqui's fur baby who was so loved and treasured. We could talk about our fur babies to length and humor.

I pray she knows how dear and cherished she will always be. My beautiful sister, You are loved!

“ Jackie and I embarked on our friendship journey together as transfer students at Hampton University, a time marked by our unique living situation in the trustee house due to the lack of available dormitory space. It was within these walls that Jackie, myself, and our " T house sisters" formed a bond—a connection that transcended our years at Hampton and continued to flourish thereafter. Jackie, was one of my roommates, she was a beacon of kindness, and together we shared countless moments filled with laughter and joy, both during our college days and in the years that followed. Our friendship was one that could withstand the test of time; despite periods of silence, our conversations would pick up right where they left off, as if no time had passed. These exchanges, often lasting for hours over the phone and, were filled with laughter and reminiscences of our time together. The homecomings at Hampton University were particularly special to us, offering a cherished opportunity to reconnect and share in the spirit of camaraderie that defined our college experience. Jackie's gentle sweet spirit, made her a beloved figure within the Hampton University community and beyond. Her absence leaves a void that will be deeply felt, but I find comfort in the belief that God knows best. My thoughts and prayers are with her family, especially her sister Sharon, and all who loved her, during this profoundly difficult time. May God provide strength and solace to all grieving this significant loss. Jackie's memory will live on in the hearts of many, remembered for her generous spirit, her infectious laughter, and her radiant smile.
