

Jahro Horace Pitts

April 8, 2025 - April 9, 2025

In August of 2024 we prepared to welcome a new child into our lives. Our world flipped upside down in November when we received screening results saying our baby may be positive for a genetic disorder, Trisomy 13.

From that moment we decided to have faith that our child could thrive and survive, despite the statistical probabilities against him. Fresh into the new year, the likelihood of Trisomy 13 was confirmed. Despite the news, we became hosts of hope for our son. Yes, a boy. We found out he'd be a boy. "Jahro" is what we named him.

Our son Jahro thrived in the womb and finally, after a tough labor on the night of April 8th he was born. Jahro defied many of the odds, not only coming into this world alive, but also able to breathe on his own. Our beautiful son was embraced and loved by his Father Justin, Mother Brianna, Sister Brystin, his Grandmothers, and Great Grandmother.

We were blessed with his precious presence for several hours, but unfortunately Jahro didn't make it through the night and peacefully breathed his last in our arms.

We are grateful for our son, Jahro, for beating the odds and providing us with faith, peace and perseverance throughout the time he was carried in the

womb until his last moments with us.
