“ *I enjoyed having Jalen as an apparel & accessories design student at PLC Detroit. Jalen received a certificate of completion for both J.Crew and Capri Holdings Foundation. He showcased his ability to collaborate on a team project where they searched for solutions to problems and found innovative ways to improve the product creation industry. Regardless of the obstacles he may have encountered throughout the programs and overcame, his perseverance inspired his peers and PLC faculty.*

I am sending love and strength to family and friends during this time.

“ My thoughts and prayers are with my family during this difficult time! I wasn't privileged to be around Jalen very much, but whenever I was in his presence, he was super polite, very humble, and very smart! He was a very talented young man, and I'll never forget his beautiful smile! May God continue to bless and keep the Welch family, as only He can and will! Love, Pink
