“ Brother James,  
You are kind, friendly and loving. May our Heavenly Father keep your soul and let you sleep in peace till we meet again. We take things for granted about the opportunity to see and talk to one another continually until the chance is gone. Will definitely miss talking to you and seeing you.

Rest Well , Mr Awotwi. We miss you so much . We came home and we never got another chance for buffet with you and James Jnr. You are a kind soul. Remain restful in the bosom of your maker. When the day of toil is done.....
