“ *Years ago, Janet gave me a tiny replica of a
Kelloggs Corn Flake box, at Christmas.*

*It has travelled with me over many miles and
has always brought a smile to my heart
because it reminded me of Janet. It continues to do, even now.*

Wishing everyone Peace in our many memories of Janet.

“ *Judy, my prayers are with you and your family today as you celebrate the life of your dear sister. I pray the the Comforter be with you and Mom and the entire family today; and in days ahead as you reflect the time together, the life you have shared over the years, the memories, the laughter the fun times, the things Janet would say to you, may all these memories bring you comfort in the days ahead. May God's peace hold your hearts steady by His Grace.*

With much love.

“ I remember a prayer Janet gave at one of the many family holiday dinners that she prepared. Part of the prayer was "may your friends be like family and may your family be like friends". That stuck with me from the moment I heard it. My daughter, Savannah, says that is a motto for life. My son, Miles, recalls seeing her last and she went to the porch as we got in our car. She was always so giving with a good word. Her words were always strong and heartfelt. When I had my oldest son, Jeremy, in 1992 she came to the house and helped put his crib together. My Mom recalls her coming over one Christmas Eve helping put toys together. Janet took me to St Olaf Church and helped me in my time of desperation with therapy I needed. When my Mom contracted COVID last year, Janet & Aunt Francine called. Janet was so excited about her expected recovery, even though she herself was very ill. Janet is loved by us all and will never be forgotten.
