“ To the family of Janice Murphy, my condolences God claimed an angle. Janice and I bowled on a church league fir many years.she often attended Red hat events with my Chapter, boy did we have fun. Janice went about 3 Chicago trips with me for my birthday, she was in book club with me as well I was the one who introduced her to the group.We all fell in love with her kindness. Her wisdom, her laugh, including my husband she would often call my house and ask to speak to her son. She always had great inputs on the books we read. I'm really gonna miss you Janice

“ To the wonderful Murphy family who we are lifting in prayer. Especially, Dr. Laurrie Knight my friend from back-in-the-day at DMC. I do know what you are going through because I lost my mother last year as well and the best advice I have is thank God for giving you such a wonderful mother and hold on to those precious memories (like the parade) and photos...you will see again. God bless you. Whatever you need call me. 🙏

“ It was Phyliss and Janice that blazed the trails for our family, especially the girls, to enter post-secondary education as a way to prepare us for good things. Ms. Janice did a great job, and look at us now! That girl was on FIRE... Thanks, Cousin! Maureen and Sharon
